The following is from the Index of Wenona, Ills., of some years ago: "If you wish Dental work you can rely on, or advice you can depend on, go to Dr. BADGLEY. His knowledge of and experience in the profession, and skill in Dental Surgery, with a frank gentlemanly treatment to his patients, has deservedly won for him a wide reputation in Dentistry not surpassed by any in the State." Dr. BADGLEY was raised in Gallia county, and is now located in Gallipolis, with office over Wasson's Book Store, and we are glad to notice he is kept so busily engaged by our citizens, who are appreciative of his skill as a Dentist. And to all we would say-"go than and do likewise"-timely preserving your teeth and your health.
